

MoreFood Questionnaire

MoreFood will be a public demonstration of long-term sustainable food production, showcasing alternative food crops and methods, including perennials, multi-use plants, and an orchard of traditional Devon fruit trees.

MoreFood is a project based at Steward Community Woodland, Moretonhampstead, Devon TQ13 8SD.

Answering as many questions as you can will help us establish the needs of the local community.

- Do you feel a need for more organic food to be grown in your area?
 Yes No
- Do you think there would be any benefit to you, your family, or an organisation you belong to, from developing a local organic food growing demonstration garden?
 Yes No
- Do you have an interest in food security, sustainability, permaculture or forest gardening?
 Yes No
- What skills would you like to learn or share?

- Would you like a community garden that you could walk or cycle to?
 Yes No
- Could this initiative be a useful resource to you? i.e. day-trips out, family picnic, play area.
 Yes No
- Would you be interested in being part of this new project? If so what would you seek to gain from it?

- Do you or your family have any special requirements eg disabled access?

- Would you be interested in having an allotment?
 Yes No
- Would you like to have a local veg box scheme?
 Yes No
- Do you think it would be useful to have community seed exchanges?
 Yes No
- Are you interested in composting?
 Yes No
- Would you be interested in participating in courses or workshops on organic food growing or permaculture?
 Yes No
